Glamorous Hair & Makeup

Brisbane, Gold coast, Ipswich, Sunshine Coast
& Surrounding Areas

At Glamorous Hair & Makeup, each bride is an individual. I like to create a look that compliments her style, her personality and her wedding theme. I come from a hairdressing background as both my parents are hairdressers and I was brought up in the business. I have lived, worked and trained in London and Europe, so I like to create a lot of different hair and makeup styles.

My style can be anything from traditional and sophisticated, to themed and gothic style weddings.

Together we can create the perfect look. I love the vintage look and the glamorous looks of the 1950's, when the ladies were just so glamorous with their big hair, red lips and heavy eyeliner!

So if you're looking for something different or traditional, in the comfort of your own home, with no stress (except for the wedding jitters) then please call me.

Wilston

I love nothing more than getting you ready for your big event, whether it be a job interview, photo shoot or your wedding day. I am friendly, happy and I have had many years experience as a hair stylist and make-up artist.

I've perfected my skills in hairdressing in Brisbane's award-winning salons COEV Haircutters, Oscar Oscar and Vogue Nationale.

I have run hair styling workshops for Tamblmys Academy 2000 and Viv Rushbrook Screen Make-Up Academy. I've worked on kids tv shows and video clips and currently freelance for the ABC.

Above all, I am calm under pressure and am totally dedicated

to making you look fabulous! I have a beautiful newly built salon in Wilston Queensland (a few suburbs from the CBD) where you can relax with one on one personal service, or I can come to you.

I use Kevin Murphy hair products that contain high concentrations of pure essential oils and are sulphate and paraben free. M.A.C is my make up of choice, or alternatively, I can apply mineral make up.

The consultation is a critical component of your salon experience. Whether your tastes are traditional or a little different, I will work with you to design a look that will take every one's breath away. Schedule yours today!

Vanillaz Hair Studio

Melbourne

We have experience in helping design a style to suit any theme wedding from a relaxed garden wedding to a glamorous formal evening. Whether your occasion is for a wedding, photographic shoot, or attending a special event, our aim for perfection will create a unique style just perfect for any occasion. At Vanillaz we can help tailor a package to suit you this includes working together to create a schedule that suits you leading up to the big day. Extensive colour and style consultation to ensure your hair is looking its best for your day - when to book in for a regrowth touch up, what treatments will help repair your hair or give shine and condition. What to do if you are thinking of a colour change - when it would be best to start to achieve the look you desire plus much more.

Pre wedding rehearsal for the brides hair and makeup - sharing ideas, discussing what looks best and

what would suit the theme of your wedding and most importantly your dress. We recommend two rehearsals for the bride to ensure that the day works perfectly, and that you are 100% with all the decisions planned.

Pre wedding rehearsal for the bridal party - styling and makeup to compliment the bride and the wedding theme.

At Vanillaz we offer solutions for any wedding, by guiding brides and their bridal party on what suits each person individually, from complimenting facial shapes and features to hiding unwanted pigmentation on the skin, giving you a flawless finish, and making you feel just amazing on your special day. On the day of your wedding be treated to a complimentary glass of champagne, and relax knowing that your day will turn out just as planned. We recommend allowing about an hour and a half for each person for both

hair and makeup. We often style the bridesmaids first, and then the mother of the bride followed by the bride herself, leaving the flower girls last depending on age.

At Vanillaz we also offer mobile bridal hair and makeup, as we know and understand how difficult it can be to attend a salon on your special day. Mobile hair and makeup takes the hassle and stress out of traveling to a busy salon.

We have a 100% money back guarantee. In the unlikely event that you were not completely satisfied we will either make the adjustment at no charge or refund your money in full.

We look forward to making your wedding day unforgettable!
